On November 11, 1995, Clarksburg School held a Veterans Day program. It began with a flag ceremony led by Clarksburg Cadette Girls Scout Troop #11. Michael Vowell, President of Student Council, introduced the following guests: left to right (back) Mr. Billy Crum, Mr. Gordon Ashby, Mr. Farris Bartholomew, Mr. William Bolen, Mr. Mitchell Britt, Mr. Alvin Boyd, Mr. Bill Crossno, (front) Mr. Faye Bartholomew, Mr. John Williamson, Mr. Bill Williams, Mr. Lois Scott, Mr. Jerry Robison, Mr. Ford Fronabarger, and Mr. Cleavie Davis. The guests were presented certificates of appreciation by Brian McLean and Sabrina Byars. A statement of appreciation was given by Stephanie Jackson. Next the Elementary Chorus performed patriotic songs, saluting the veterans at their service to our country. The winners of the Veterans Day essay contest Lisa Papes (freshman) and Alton Ballard (eighth grader) then read their winning essays. The assembly concluded with the returning of the colors by the Cadette Troop.

Cody Scott, a 2nd grader in Mrs. Sherry's class, won the WLJT TV PBS channel 11 Reading Rainbow book contest by reading 224 books during the month of April. This is the highest total of any participating student in Carroll County. Cody was interviewed by channel 11 and received a

\$50 savings bond.

Mrs. Sherry's class was also honored as having read the most books in Carroll County. The class got to go to McDonald's for Happy Meals. Congratulations to Cody and his classmates!

Drew Daniel, a fifth grader at Clarksburg Elementary School, won the first round of the Arbor Day National Poster Contest at Clarksburg Elementary School in the middle of April. His poster was selected out of his fifth grade art class by a panel of two high school teachers as judges. It was then sent to Nashville on March 1st to represent West Tennessee in the state competition. At this level Drew won \$100 for his poster and Mrs. Gena, his homeroom teacher, and Mrs. Robin, his art teacher, also received \$100 for helping him. For his achievements, during Arbor Day ceremonies in Nashville, he and five other students helped plant the state tree on the Bicentennial Capitol Mall. Joining Drew for the ceremonies were Mrs. Gena and his parents and first Lady Martha Sandquist. We are all very proud of you Drew!!

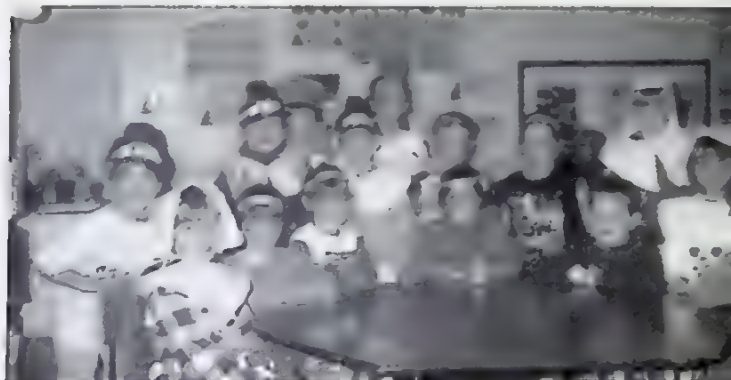

A new class to CJH this year is Directive Study instructed by Mrs. Jennifer Butler. This class is directed toward helping students adjust to middle school. The class provided counseling, social support, and self-understanding. We had class discussions, group activities, and curriculum

booklets that we work in monthly. Directive study worked to improve study and test taking skills, helped to foster communication skills, and allowed each student to explore educational and career goals. We participated in individual community pride projects such as campus clean-up, care of the flag, helping neighbors and friends, and visiting nursing homes. At the end of each six weeks, we students who had an average of 80 points or more in class got a special reward. These included a banquet, a skating trip, a bowling trip, and a day at the park.

On February 8th, grades 3-8 held their annual Spelling Bee. This year's top five winners are left to right: Kristen Jordan (8th) — first, Drew Daniels (5th) — second, Adam Steele (7th) — third, John Biggart (7th) — fourth, and April Jordan (6th) — fifth. As first place winner, Kristen will advance to the state competition at the Jackson Civic Center on March 16th. Upon winning there, she will go to Washington, DC for national competition with all expenses paid by the Jackson Sun. Way to go Kristen!

In celebration of the true meaning of thanksgiving, 1st and 2nd Graders dressed up in native Pilgrim and Indian costumes.

During the month of March, 62 students in grades K-6 participated in the annual St. Jude Math-A-Thon. A total of \$1903.29 was raised with 6th grade the overall winners. Amber Roland — 6th grader — was the individual top salesperson. She received a T-shirt and a tote bag, and the class was treated to a popcorn and coke party. This year's Math-A-Thon was under the supervision of Mrs. Collins.

On March 25, the Clarksburg Elementary fair in the school cafeteria. The top five winners were Keri Grant — solar system, Kris Hunley — electric flag game, Amber Roland — water cycle, Elizabeth Peterson — solar system, and Trista

Simpson — eye ball. Their projects represented Clarksburg Elementary at Bethel College in May. Certificates of Awards were given to fifteen students. Seventy-eight students participated. Mrs. Gena Maddox, Clarksburg Elementary 5th grade teacher, was the science fair's sponsor and organizer.

Our new High School principal this year is Mr. Jeff Cursey. He took this position after the retirement of our previous principal, Mr. Wooten. He graduated from Huntingdon High School, went on to graduate from Bethel College, and got his masters degree from Trevecca Nazarene College in Nashville. Mr. Cursey comes to us from McKenzie High School where he taught P.E., Health, and helped with the football team. Some of his hobbies include golf, watching sports on TV, and spending time with his wife, Michelle, and baby boy, Chase. Mr. Cursey's main goal while at Clarksburg is that

every student do his/her best in everything they do. We're all glad to see him come to Clarksburg and hope he stays around for many years to come.

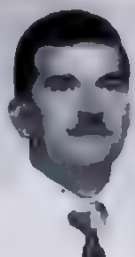

Mrs. Mary K. Stigall is our new split fifth grade teacher this year and is doing a great job. She graduated from Henry County High School and taught at Poplar Bend and Huntingdon Jr. High for three years before coming to Clarksburg. Her family includes her husband, Mr. Steve Stigall, CHS ag instructor, and Mrs. Stigall's many pets. She enjoys cooking, singing, playing the piano, and collecting baskets. She also likes to shop and loves animals. We would like to welcome Mrs. Stigall and wish her lots of luck in her future here at Clarksburg.

Mrs. Lisa Hayes, wife of Kendall Hayes and sister to Mrs. Baker our H.S. math instructor, is our only student teacher this year. She graduated from Huntingdon High School in 1992 and is now attending the University of Tennessee at Martin, majoring in Human Learning K-8. Mrs. Lisa says that after graduating she will sigh with relief, then try to find a job! Mrs.

Lisa is teaching with Mrs. Angie in the first grade. She says it's been great and all of the teachers and staff have been very helpful. Everyone enjoyed having Mrs. Lisa this year and want to wish her the best of luck after graduation.

A few new faces were added to our faculty and staff this year. Among these was Coach Mike Limbaugh. Coach Limbaugh graduated from Moore County High School and went on to attend Bethel College. He came to us from Ashland City High School after having eight years of experience in education. He coaches Junior High and High School boys basketball and teaches math and wellness. In his spare time he likes being with his six year old daughter, Morgan. Coach's favorite thing about teaching and coaching is being around young adults. We would like to welcome our new coach and teacher and wish him the best of luck in his future at CHS.

Mrs. Traci Lunn is our new kindergarten teacher this year. She is originally from Broken Arrow, Oklahoma (just outside of Tulsa). She is now living in McKenzie with her new husband. Mrs. Traci graduated from Bethel College with a degree in Elementary Education. Mrs. Traci formerly worked for the First Baptist in McKenzie with the Child Development Center for two years. This is her first year to teach. Some of her hobbies are reading mystery books and playing with her cat. She enjoys country music and adores children. When asked about the thing she likes best about Clarksburg, she replied, "It's small size and close atmosphere." We all want to welcome Mrs. Traci and wish her many successful years here at CHS.

Although, we were unhappy to see Mr. Mitchell Britt our Spanish I and II teacher leave after being here at CHS since the beginning of the 1994-95 school year, we were happy to see our new Spanish teacher, Mr. Jimmy Glosson take over. Now that Mr. Britt isn't teaching anymore he is living in Lexington with his wife, Mrs. Jane Britt.

Mr. Glosson graduated from Frayser High School in Memphis, Tennessee and went on to attend the University of Tennessee at Memphis. He is now living in Jackson, Tn. with his wife. His hobbies include singing and sports. The thing he likes best about teaching is sharing his love of the Spanish language with others.

Mrs. Sherry McGee, married to Joey McGee, is our new second grade teacher. She graduated from McKenzie High School and attended Bethel College. This is Mrs. Sherry's first year teaching and she's doing a great job. The thing she likes best about teaching is the variety. She says it's something different everyday. We wish her the best of luck in her teaching career. Keep up the good work.

Ms. Terri Johnson, a 1995 CHS graduate, is our new secretary in the office this year. Ms. Terri says she enjoys working in the office because she likes to know that she has a little control of everything that goes on. Her hobbies include shopping, talking on the phone, and watching TV. It's been wonderful having Ms. Terri around again this year because no matter how down you feel she always makes you smile.

As the 1995-96 school year began, many new faces appeared in the ranks of the faculty and administration here at CHS. This was due to the combined retirement and leaving of four of our familiar faces. Below you will find out more about them.

Mr. Wooten came to Clarksburg High School in 1982 after having taught 17 years in schools such as Huntingdon, McNairy, Haywood, and Olive Branch.

At Clarksburg High School,

Mr. Wooten was

teacher, principal, and coach of high school boys basketball. He was chosen Coach of the Year, from District 13A all the way to West Ten-

he retired and is enjoying a life of horse trading.

Mr. Wooten will be

greatly missed by the faculty, staff, students, community, and athletic world.

After thirteen years of teaching first grade here at Clarksburg School, Mrs. Theresa Donald left us to teach first grade at Huntingdon Primary. Mrs. Theresa graduated from Union

University where she was an education major and an excellent varsity basketball player.

She came to Clarksburg in 1977 and taught first grade until her leaving. Mrs. Theresa brought with her a love for children,

learning, and a commitment to the betterment of all man kind. She loves teaching and never backs away from a problem or an important issue. She possesses integrity, a commitment to hard work, strong Christian beliefs, and faith.

Mrs. Theresa, we can never replace your

spirit. Thanks for making our school a better place for all children. We wish you happiness at Huntingdon Primary.

Twenty nine years ago in 1964, after graduating from Lambuth University, Mrs. Olivia Scott started teaching at Clarksburg High School. For the next 29 years, she taught general science, Biology, Science 3rd-8th, Social Studies 3rd-6th, and 5th grade home room. She says that she enjoyed teaching Social Studies

the most and doing all the projects and activities. She enjoyed teaching English the least.

Mrs. Scott says that she misses working with the students and all the won-

derful teachers and staff, but she does not miss grading all the papers. Since retiring at the end of school year '94-'95, Mrs. Scott says she has enjoyed playing with her grandchildren and working in the family furniture store.

All though we miss you terribly, we are

glad to hear that you are doing well and are happy. We wish you much more happiness in your retirement.

The 1994-95 school year brought along alot of great things. One was Coach Joe T. Wood. He came to us from Bruce-

ton where he had been teaching and coaching for seven years. Here at CHS Coach Wood taught 7th & 8th grade math, American History, and P.E. He was the Senior class sponsor, FCA sponsor, and

Student Council sponsor. He coached H.S. girls and boys basketball. We were all sad to see Coach leave at the

end of the '94-'95 school year, but we wish him the best of

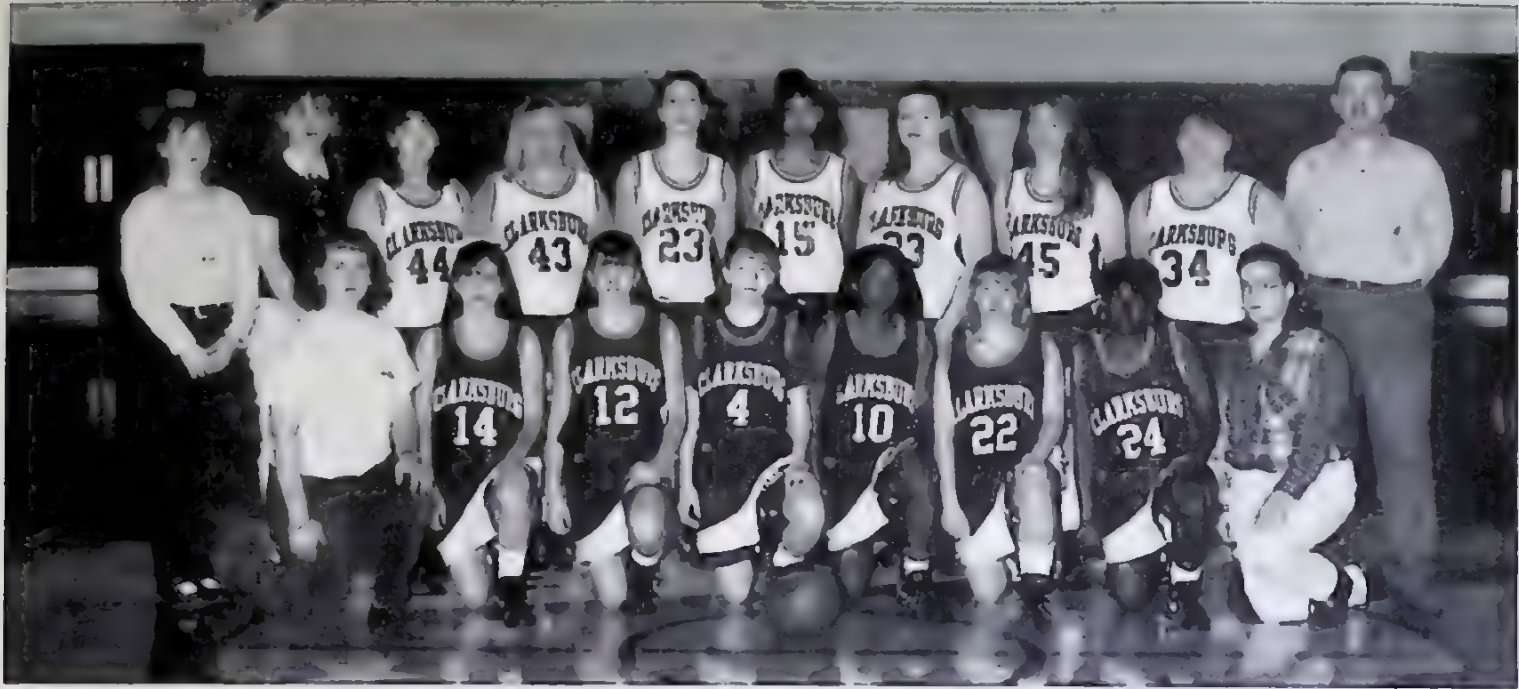

luck at Camden High School where he is presently teaching.

Red Team

Pictured here are the first Jr. Pro Basketball Teams that we have had at Clarksburg Elementary School. A full schedule of games was played during halftimes of home high school girls' and boys' basketball games and on Saturday mornings. The teams also participated in the West Carroll Middle School Tournament where the girls placed third.

The Red Team was coached by Mr. Jonathan Staten and his players were: Courtney, Leigh, Calvin, Triston, Joshua, Dusty, Joe, and Brent. The Red Team came in first place.

The White Team (The Magics) were coached by Mr. Jeff Reed and his players were: Trista, Chris G., Brent, Josh, Crystal, Mitch, Jonathan, and Dustin L. The Magics came in second place.

The Blue Team was coached by Mr. Terry Woods and his players were Amber, James L., Craig A., Larry, Nicholas C., Ryan, Glenna, and Craig L. The Blue Team came in third place.

Our special thanks goes out to the parents for letting us participate in this special event, to the coaches for taking the time out of their busy schedules to coach the teams, and our very special thanks goes out to Coach Limbaugh for putting the program together.

Watching us scurrying up and down the halls getting quotes and writing articles, dashing in and out of classrooms taking photos and getting yearbook orders, bet you never thought that your personal edition of this 1996 CHS Yearbook would ever be finished, let alone look this great. Now that the scurrying and dashing are over, we give special thanks to Miss Sarah for her generous "computerized" assistance and to Mike Vowell for his personal cover design. Enjoy!!

The annual FHA Family Banquet was held on April 30, 1996 at the Civic Center in Huntingdon. The program began with the welcome given by Pres. Tara Renfro. LeAnn Fuller gave the devotion. After a delicious meal of Bar-B-Q and all the trimmings, special music was performed by various FHA members. Mrs. White presented awards to officers and outstanding students. The Banquet concluded with the recitation of our creed by Pres. Tara.

Representing Clarksburg at the 1996 FHA/HERO convention was Casie Byars, Amanda Roberts, and Alanna Williams, under the supervision of Mrs. White, FHA sponsor. This Fifty First annual FHA convention was held in Nashville at the Opryland Hotel. Clarksburg had no one competing at state level but is proud of all who participated in District Competitions.

On Friday, April 15, 1996 the following FHA members attended annual Star competitions at Dyersburg State Community College. The members who attended were DeLecia Townsend, Amanda Cobb, Amanda Roberts, Amanda Jordan, Brandy Hastings, and Christy Tucker. DeLecia competed in the Creed, Sr. competition and received 1 star. Brandy was in the Creed, Jr. competition and received 2 stars. Amanda J., Amanda R., Amanda C. competed in the Focus on Children event and received 1 star. Christy was in the Illustrated Talk and received 3 stars. (These scores were on a 5 star scale). Congratulations to all the girls.

Special Activities

Red Ribbon Week (anti-drug) activities were held Oct. 23-27 with the wearing of red ribbons pledging a drug-free lifestyle and sign-up posters in the hall to publically declare the same. All CHS students enjoy these activities initiated by the FHA members.

On Thursday March 22, 1996, the Clarksburg FHA members pictured here along with Mrs. White our sponsor loaded a bus and traveled to the Carroll County Civic Center for the afternoon. Schools represented were Clarksburg, Bruceton, West Carroll, and Huntingdon Vocational School. The purpose of this meeting was to install this year's subregional officers. Our Clarksburg High School representatives were Cristy Pollock and Amanda Roberts. We enjoyed a good meal. Then each of the school provided a form of entertainment. Following Jamie Miller's thought for the day, Clarksburg's contribution for the entertainment included a solo by LaLane Parker and a skit entitled "Along Came Jones" performed by Casie Byars, Alanna Williams, Tara Renfroe, Cristy Pollock, Delecia Townsend, Christy Pritchard, and Brandy Hastings. There were also door prizes. We really enjoyed this day of FHA fun.

On Tuesday Feb. 13, the FHA officers inducted 20 freshmen into FHA. The officers presented the new members with pins and asked them a question about FHA. Christy Tucker gave her speech for Illustrated talk competition and then the officers closed the meeting with the FHA Creed. Welcome new members!!

To honor this special time we had FHA Week Feb. 12-16. On Monday we passed out Hersey hugs to the teachers. On Tuesday we inducted new members. Wednesday we give out hearts, and prizes were given to the announced hearts. Thursday was wake-up with FHA. We all wore smiley faces and had doughnuts and orange juice. Due to snow on Friday our Talent Contest was canceled.

The FHA had informal initiation in November. On this day new members dressed up as characters for The Wizard of Oz, The Brady Bunch, and other movies. They got up in front of the group and sang the theme songs as the character they were dressed. After the entertainment everyone ate banana splits.

This year's Land Judging Team consisted of Guy Williams, Jeffery Vestal, Bridgett Bolen, and Amanda Stokes. On October 12, 1995, they traveled to the Jackson Experimental Station in Jackson, Tennessee. Everyone was split up into four different groups. They judged the soil texture, subsoil, AWHC, etc. After everyone was through, the official judge explained all of the pits and then they came home.

Andrew Stokes, a Freshman FFA member at CHS, has gone down in school history as the first ever FFA member to go to the West Tennessee FFA Creed Contest where he placed fourth. Andrew began his journey in CHS FFA history by competing in the District Creed Competition in Gleason on February 12. He placed first out of four and advanced to West Tennessee competition in Chester County High School. He placed fourth out of five. Andrew was honored at the West Tennessee FFA Honors Banquet on April 16 and was presented a plaque recognizing his accomplishments. CHS is proud of you Andrew, way to go!!!!

On March 12, 1996, the Clarksburg FFA Skills Team competed at the McKenzie Technical School. The team consisted of Craig Orr, Andrew Stokes, Nicholas Luther, and Carter Todd. Craig competed in board cutting, Andrew competed in land measuring, Nicholas competed in electrical wiring, and Carter competed in tool identification. Everyone placed fourth except Andrew who placed third.

Girls' State

This year's Girls' State delegates and alternates are: Casie Byars, Alanna Williams, Amanda Stokes, and Tina Gant. Casie and Alanna were chosen to go, however Alanna was not able to. Therefore, Amanda is getting her chance to go with Tina as the only alternate.

Girls' state takes place June 1st through June 8th. Since this year is Tennessee's bicentennial, Amanda and Casie have the privilege of going to the state's capital for its birthday. All other activities will be on the MTSU campus.

Governor's School

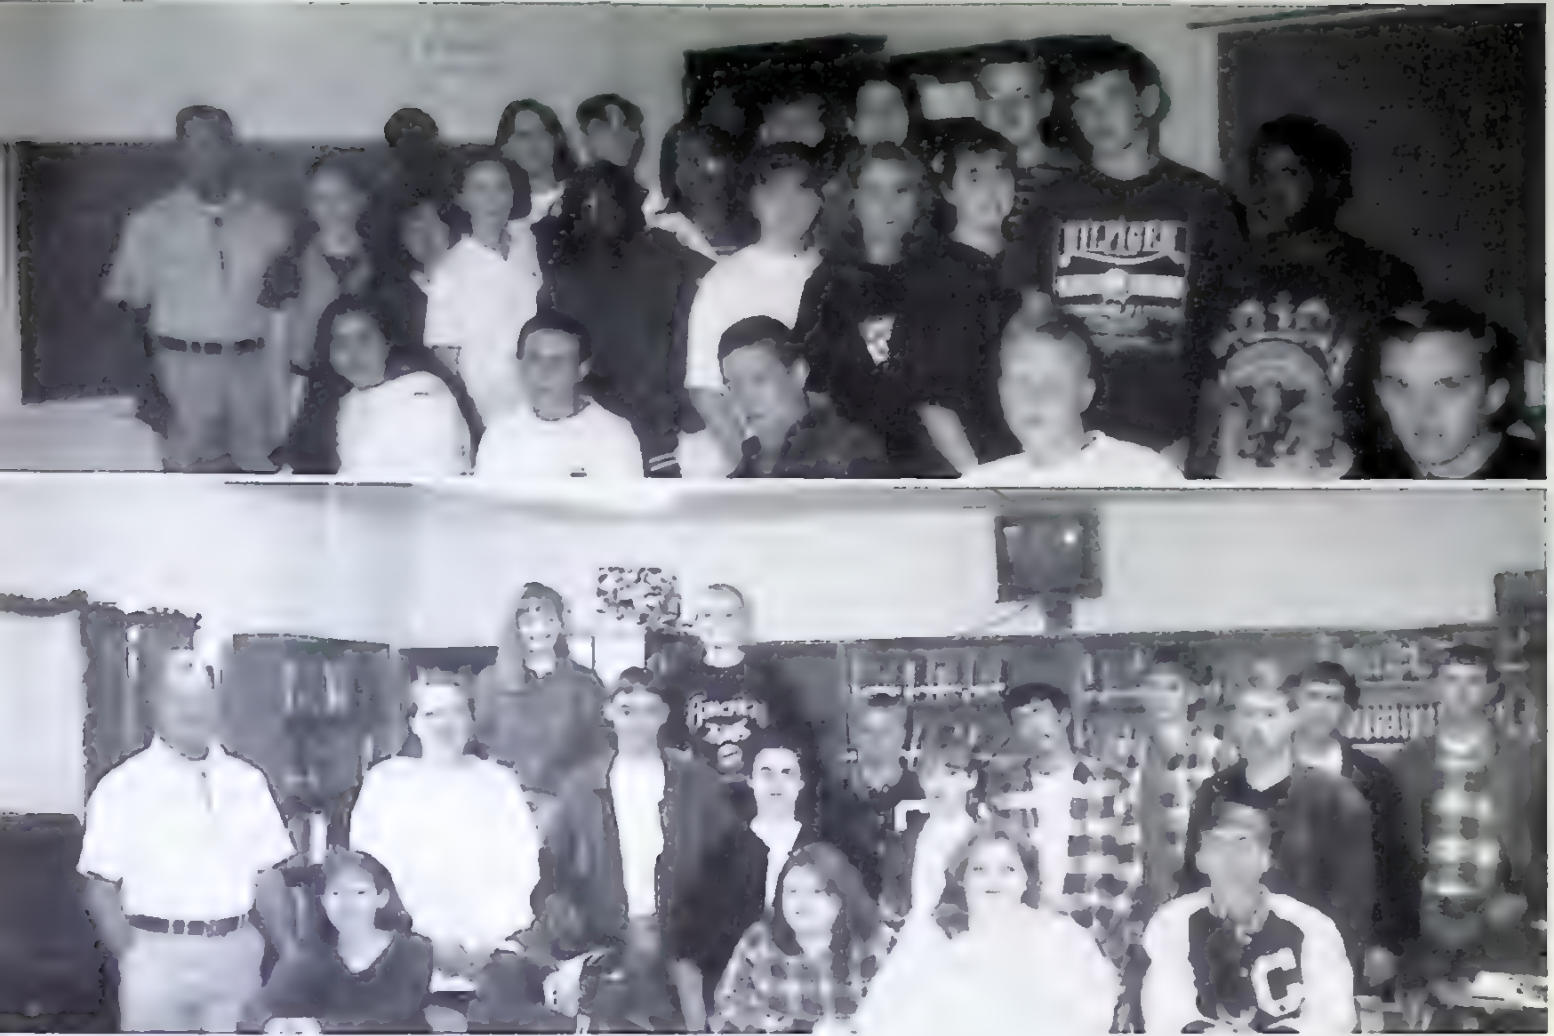

Trae Cooper will be attending the Governor's School for the Humanities from June 16 to July 13. The classes are based on writing and history. The classes are held at UT Martin. He was accepted based on his academic achievements, faculty recommendations, and several essays.

UTM Math Contest

On March 26, 1996, the students pictured participated in the Math Contest at U.T. Martin. The subjects included Geometry, Algebra I, Algebra II, and other advanced topics. top row: (l-r) Josh, Stephanie, Brian, Andrew, Shannon, Anthony, Tina, Jason, Heather, Erica. For the last two 6-weeks of the 1995-96 school year, Mr. Britt, our Spanish I & II instructor since the beginning of the '94-'95 school year, chose to return home to continued retirement. Because of this change, Mr. Glosson became our instructor (see photo and article pg. 36).

On November 3, 1995 the Spanish 1 and Spanish 2 classes, chaperoned by Mr. Britt, instructor, and Mrs. Carden, guidance counselor, took a class trip to Union University in Jackson, TN. At Union they watched as three Mexican men and four Mexican women performed traditional dances of their country. These performances lasted for about two hours. When the performances were over, the students then went to El Chico, a Mexican restaurant in Jackson, to finish off the cultural atmosphere of the day by enjoying a traditional lunch menu. The students had a lot of fun and enjoyed watching the Mexican dances that were performed.

The 1996 Fellowship of Christian Athletes had many early morning meetings from 7:15a.m.-7:45a.m. At those meetings we ate breakfast and also talked out many different concerns. We had devotions of scripture reading and prayer led by various athletes. Some days we would play games to help you feel good about yourself or talk about our problems. Next year if you have a chance and you're an athlete I strongly encourage you to get up early to be a part of this club.

The Clarksburg Student Council got off to a great start as elections were held early in the year. After the officers were elected, we decided to have our meetings every other Wednesday morning before school in the sponsor's room. We also took charge of opening the book store every morning before first period. Our first school activity was a Veteran's day assembly honoring the local veterans of the community, as well as, a few veterans in our school. We also threw a Halloween sock-hop and a Homecoming dance for the students. The highlight of our year, though, was the rewriting of our Constitution which reorganized the Student Council to a 0-12 organization only, giving the Junior High the opportunity to organize their own student council.

Miss Tennessee, Ali Shumate, Urges Students To Stay Off Drugs For Life's Sake

By Shirley Nannery

Drugs never make you smart. They kill brain cells.

This was the message conveyed by Ali Shumate, Miss Tennessee, when she spoke to Clarksburg's fifth grade D.A.R.E. graduates March 13.

She told the group of students that the government spends \$70 billion a year fighting drugs.

"Only one person can put an end to drugs and that's yourself," she said.

She urged the students to do things that are good for your body and not things that are bad. "You have to make smart moves and decisions," she told the audience.

Candace Pritchard and Kristina Hollowell read their winning essays on drug prevention. They were presented with D.A.R.E. gym bags by Carroll County D.A.R.E. Officer Jimmy Simmons.

High School students Delicia Townsend and Alanna Williams, who acted as D.A.R.E. role models during the seven week program were introduced prior to addressing the group.

Delicia's speech was entitled, "Hooked on Sports, Not On Drugs."

Alanna Williams spoke on "What a Friend Really Is."

Miss Tennessee sang several popular songs while students clapped their hands.

Officer Simmons and teachers Linda Sigall and Gena Maddox handed out D.A.R.E. graduation certificates.

The D.A.R.E. Program is geared for the pre-teen and teaches the harmful effects of drugs and alcohol.

Receiving certificates were students Delana Bailey, Dustin Billings, Dusty Boyd, Ruth Brinkley, Mary Bybee, Jeremy Cary, Ryan Cobb, Drew Daniel, Daniel Gurley, Craig Lewis, Dustin Luther, Raven Madere, Jeremy McLean, Julie Pace, Candace Pritchard, Crystal Reed, Jessica Vaughn, Calton Willis, Jonathan Blegg, Christina Cary, Nicholas Cobb, Paige Glover, Jonathan Grant, Josh Haywood, Josh Holland, Kristina Hollowell, Amanda Lewis, Alrich Lewis,

William Rhodes, Kelli Sellers, Brent Smith, Carrie Todd, Glenna Tucker, Triston Willis and Vanessa Wilson.

7th & 8th Grade Students Attend Jr. Dare

Trooper Wayne Woodard of the State of Tennessee Department of Safety met with the Clarksburg 7th & 8th grade students for 10 days the 4th six weeks to conduct a Junior DARE course. The purpose of this program is to give pre-teen children wise alternatives to drug & alcohol use. During these 10 sessions the students worked in DARE booklets and participated in class activities and games. At the end the course, the students were assigned to write essays about why they chose to be drug free. As a part of the DARE graduation the students had to read the essays to their classmates. At the end of the course each received a DARE certificate for their participation in the program. We want to thank Trooper Woodard for spending his time teaching us how to make wise choices in free time and friends.

On November 20th and 21st, 1995 the Clarksburg Jr. Beta club attended the 1995 Jr. Beta Convention at the Opryland Hotel in Nashville, Tn. Attending the Convention were 8th graders: Brittany, Kim, Lauren, Kristen, Matt, Caleb, Andy, Clint, and Jeremy. We enjoyed competing with other groups in various competitions such as talent, scrapbook, spelling bee, etc. We attended meetings and checked out the Christmas decorations in the hotel. Thanks to everyone who made this possible, especially Mrs. Stigall our sponsor and her husband who chaperoned, planned, and prepared us for our trip. Thanks to Clarksburg School for letting us go!!!!

On March 19, 1996 at 1:00 p.m. in the Clarksburg School cafeteria the Jr. High Beta Club met with their sponsor Mrs. Stigall, principal Mr. Cursey, and parents to induct 22 new members into the club. The new member from the 8th grade is Matt Bowles. The new members from the 7th grade are: Caleb Harris, Jodi Mason, and Stan Lawns. The new 6th grade members are: April Jordan and Lindsay Breeden. The new 5th grade members are: Nicholas Cobb, Amanda Lewis, Mitch Lewis, Josh Haywood, Darrie Todd, Christina Cary, Triston Willis, Kristina Hollowell, Craig Lewis, Mary Bybee, Raven Madere, Jessica Vaughn, Dusty Boyd, Drew Daniel, and Ryan Cobb. After the ceremony the old members served refreshments to everyone attending the induction. We are excited to have inducted 22 new members this year. The next Beta Club event will be our banquet sometime in May.

PROJECT GRADUATION

The Class of 1996 celebrated graduation night with the first-ever Project Graduation, an all-night drug and alcohol free party at the school. Parents of class members began working more than a year ago to raise over \$8500, a portion of which was given to each class member who spent the entire night in the school building (chaperoned by parents!) playing volleyball, pool, basketball, ping pong, card games, watching movies, and dining on more food than was possible to consume. Prizes were given away each hour during the night with the grand prize of a color TV going to Kelly Butler.

This one, last chance for all 30 members of the Class of 1996 to be together would have never taken place had it not been for the diligent work of all the parents and relatives who bought and sold various fund-raising items, set-up booths, baked goodies, and cleaned-up after meals served. Special thanks goes to area businesses, merchants, restaurants, and grocery stores who donated prizes, money and food to the night of fun.

The Class of 1996 hopes this is the beginning of a Project Graduation tradition for each class that graduates from GHS.

Sabrina D. Byars

Sabrina, I see the young woman you've become and I'm filled with love. I'm proud of you and lucky to be your mother. Love, Mom

Young People

As our years finally come to a closing end,
We are reminded of all the memories that we hold within.
Remembering all the good times that we came to share
All the love and caring that we came to bare.

As we think back to the days when we first started out,
When we were growing closer and closer to each other through the years together,
Who really knew that being friends is what love was really all about.
We know now that this is what's really going to last forever.

May God be with us as we go our separate ways,
As we set off to follow our hopes and dreams.
Let us put trust in Him to help us live day by day,
As we go through life wondering what the future will soon come to mean.

As we bring ourselves to say good-bye,
While wiping the tears from our eyes,
We must keep one thing in mind as we all stand together
That we won't let good-bye be forever.
